The distribution will be paid on Thursday, 24 April 2014 to all securities holders recorded on the register on Friday, 28 March 2014.

The net distribution amount (after the deduction of Dividend Withholding Tax ("DWT") at a current rate of 15%) will be re-invested in the ETF on behalf of investors through the purchase of additional Constituent Securities (as defined in the relevant Portfolio Supplement) in the appropriate weightings, thereby increasing the net asset value of the ETF and, proportionately increasing the value of each ETF security. As a consequence of reinvesting the net distribution amount (after the deduction of DWT), the ETF will be tracking the relevant total return net-of-dividend tax index.

Investors qualifying for exemption from DWT or a reduced rate of DWT per Double Tax Agreement ("DTA"), will receive, in cash, a distribution amount of the applicable DWT, provided they have completed and timeously lodged with the relevant intermediary the prescribed declaration and undertaking form. Failure to do so will result in the dividends tax being withheld in full.

*Investors should seek advice from their tax advisor on whether the tax and rate shown is applicable to them.
